**Census  
2010**

The program will include a Census 2010 Launch in the Jewish Community to encourage the participation of Queens Jewry. By completing the census, the future of our community will be determined. Census data are used to improve schools, hospitals, housing, transportation, social services and more.

Every person, regardless of immigration status, who resides in Queens should be counted.

Free Admission -  
Light Refreshments Will Be Served · RSVP QJCC 718-544-9033
